

# Elementary Music with Mrs. Nelson

June 8th - 10th, 2020

You made it to the finish line Mustangs!! Please watch this [short video](#) if you'd like tips for facilitating music at home during remote learning!

- Sing the "[Hello Song](#)" with me on my Youtube channel - it's the final "Hello Song" of the year! Tune-in to find out what this week's topic is and if you have an answer to this week's mystery topic, send me an email or a K-5 [FLIPGRID](#) with your song and your response!
- When we started remote learning back in March, I shared this song with you. I have made 66 Youtube videos between now and then and I've sure learned a lot! I thought it would be special to share this song again, with a new video, as our school year ends. I love all my musical mustangs and I can't wait to make music with you in the fall!
  - "It's You I Like" - [1st Week of Remote Learning Edit](#)
  - "It's You I like" - [Summertime Edit](#)
- **(From last week)** Finally, here is the [WORLD PREMIERE of Maverick the Mustang's first music video](#)! Big thanks to Maverick and his secret helpers for sharing "Lonely Maverick" with me - poor Maverick just seems so sad without his Montana City Mustang friends! Luckily, we are all "Mustangs Forever" - so Maverick won't feel lonely for long! Maverick and I got together to shoot the video for "Mustangs Forever" and I think you'll agree - he's the best mascot ever!
- **Have yourself a merry little Freeze Dance Party for the end of the year!** "[We're Walkin' on Sunshine](#)", Mustangs!
- Have a great summer musical Mustangs! I've missed you so much and I can't wait to make music with you in the fall! I hope you are proud of yourselves for rising-up to such an incredible challenge. Keep a song in your heart and wear your sunscreen! Love, Mrs. Nelson [knelson@mtcityschool.net](mailto:knelson@mtcityschool.net)
