Help Keep Montana City School Healthy!

Yay for a new school year! Yay for hanging with friends again! Boo to germs and sick bugs! It is that time of year! Viruses, tummy bugs and colds are hitchhiking with students. Please monitor your child(ren) and keep them home if they are feeling ill or exhibiting any unhealthy symptoms. As with any illness, students need to stay home until they are fever free for more than 24 hours. If a student comes to school sick they will be sent home.

*Reminder, if your child needs any medication (including aspirin, tums, etc) Nurse Rivers cannot administer it unless approved by a parent, or there is medication in the office with the student's name on it.

Nurse Rivers is always available by email and daily at the school from 10am-2pm. Please reach out if you have any concerns. **BethAnn Rivers RN: brivers@mtcityschool.net or 406-442-6779**

FAQ?

Frequently Asked Questions

What do I do if...?

In Cases of Illness

My child is sick. How can I get their homework? First, if your child is home sick, it is best to let them rest, heal up and get back to school, the teachers can catch them up upon their return. To have homework collected please email your child's homeroom teacher. (Middle School TA teachers will gather all subjects). If you choose to pick up work for your child, please plan on picking it up after school. Remember that teachers are busy teaching during the day and will need to wait for their prep in order to gather work.

If my child is sick in the middle of the night/morning, what is the best way for me to notify the school? Please call the attendance line at 406-443-6571. This is a 24 hour line with voicemail that is checked each morning. Please leave a message.

At Montana City School we believe in the relationship between teachers, students and parents. If you have any questions regarding your child's education or their social circle at school please email your child's teacher. They would love to hear from you!
