Fall Break

October 16th and 17th

NO SCHOOL

"My favorite part of coaching XC, besides being with the kids, is watching them compete. To see all their hard work pay off in a race is the best! I also love how they improve and gain confidence throughout the year and believe that they can actually "run"!"

-XC Coach Plant

Fall Sports

THAT'S A WRAP!

Volleyball and Cross Country

"My favorite part of the season has to be getting to know the girls outside of school. They have some goofy personalities that sometimes don't show through during the school day and they all are very hard working and have done well building each other up during the games and celebrating the new skills everyone is learning."

-VB Coach Sharbono

"My favorite thing about coaching is to see the progression of skills for every player. I love to see the happy dances when things just start to click. I also love to see everyone cheering and supporting each other from the smallest to biggest improvements."

-VB Coach Fox

"Cross country season is one of my favorite times of the year! I love getting to spend time with these kids who are so hardworking and dedicated to the sport. Even though sometimes they come to practice with a little more energy than I can handle, 😊 I'm still extremely grateful to be their coach!"

-XC Coach Anthony
